TATLER

"I like to see a man proud of the
place in which he lives . . .
I like to see a man who lives in it so
that his place will be proud of him."

Abraham Lincoln

What is pride? It is not a decal, bumper sticker, or button. It is a spirit, a feeling each and every one of us experiences when we enter York High for the first time. Pride is the student picking up a piece of litter from the spotless halls . . .

the athlete giving his heart and soul for the blue and orange, the scholar working long hours on a difficult assignment, and the many people backing York High and its activities. They're all striving to make this school what it is and always will be — Number One.

VARSITY FOOTBALL

This year's football season unfolded as one of great excitement although it ended in frustration. The season began at home with a tough CD East team. With the offense scoring only 6 points the game was put in the hands of the defense. The defensive backfield, thought to be the weak point of the team, came through with a fine performance, limiting the CD East passing attack to five yards. Final score: 6-0. The defense sustained their dominance in the next two games while the Bearcats found a powerful offense to outscore their opponents, Warwick and Delone Catholic, 40-7. With three victories in three games the football squad was looking ahead for a fine showing in the Central Penn League. Once again the defense controlled the game as the Orange and Blue shutout league rivals Williamsport, Steel High, and Reading in successive games. A game with always powerful Chester was canceled as the squad headed towards Homecoming and a game with State College. The Homecoming festivities were pulled off without a problem as they avenged last year's defeat by trouncing State 27-0. The large Homecoming crowd witnessed a fine individual performance as Ron Register ran for an amazing 219 yards. The Cats now stood undefeated at 7 and 0 and the stage was set as they entered into their last C.P. League game against Harrisburg. Although Harrisburg became the first team in the last six games to score against the Bearcats, the safety was not enough as the score ended 30-2. The defense did another fine job holding the Cougars to negative six team total yards. York High had now played its way to an undefeated (4-0) league record and the league championship. With one game remaining coach Don Young's Bearcats had a chance to be the first football team at York to go undefeated during modern times. Their chances looked good as they scored the first time they had the ball and led by the score at 7-0 until Lancaster found the end zone. Behind 7-6 Lancaster went for a two point play. It was good and the dreams of an undefeated season faded away as the final ticks of the clock were erased. Although disappointed the 8 and 1 bearcats had a fine season. Many people felt that the 1976-77 team was the best ever to come out of York High. The hard work and good sportsmanship of the Central Penn League champions showed that they belonged on the field with any team in the state. We commend these fine players and coaches for the outstanding football season they gave to the fans.

JV FOOTBALL

The JV football team had an up and down campaign winning 4 games and losing 3. Wins came at the expense of Carlisle, Hanover, Reading, and Central. If one word described this years team it was hustle. Their hustling style enabled them to gain victory in the close games. Many fine Individual players made their mark through the year and seem to have a fine chance of starting varsity next year.

FRESHMAN FOOTBALL

This year's freshman football team had a fine season under the coaching of Mr. Julius. They had an undefeated year, winning all four of their games. Victories came over York Suburban, South Carrol, Westminster, and Red Lion. The Freshman unleashed a powerful offense and a stubborn defense to outscore their opponents 98-32.

CROSS COUNTRY

The first season for the Bearcat harriers in the YCIAA league proved to be a very successful one as Head Coach Sam Eby's runners compiled a 9-2 record (10-2 overall). In the only exhibition meet, the running contingent defeated a tough Chambersburg squad and ended their winning streak of 97 in a row. Captain Kelly Sprenkle, Co-Captain Peter Miller, and a team of mostly upperclassmen swept through state power competitors in convincing style.

TENNIS

Chris Egger

This was the first year for the tennis team in the YCIAA. They had a good season compiling a 7-3 record while ending 4th in the league standings. Four seniors and one junior made up the team this year. Chris Egger, Paul Korinth, Bob Rittase, and Jeff Schmidt, played varsity with Kevin Cobb the only underclassman rounding out the team. Egger and Korinth had identical 6-4 records at the number one and two positions, respectively. Bob Rittase was 6-3 playing 3rd and Jeff Schmidt was 5-5 at 4th. After some tough matches Kevin Cobb ended with a 2-8 record at #5. The first doubles team consisted of Egger and Korinth, second was Rittase and Schmidt. Also seeing varsity action were Mike Wills, John Hess, Mark Hagan, and Jeff Heinze. Coach Gable was in his 12th season.

GOLF

This was the first year for golf in YCIAA competition. Its record was 4-5-1 with another victory in an exhibition match against NeW Oxford. The starting line-up consisted of Larry Mescan, Linda Mescan, Scott Grove, Steve Bowman, and Wesley Koller, with Nick Frey or Gene McCorkle playing fifth in several matches. Home matches were held at Honey Run Golf Course for the first time ever. Larry Mescan won the district qualifying tournament and participated in districts. Linda tied for first in districts qualification, finished second in districts, and participated in states.

FIELD HOCKEY

The 1976-77 girls field hockey team had a total of nineteen members. Although their season record was 0-14-0, this was partly due to a new ruling by the YCIAA in penetration time. The Bearcats tied twice; however, they received no credit because they lacked time at the opposite goal or penetration time. Through the efforts of its defense, which was one of the strongest in the county, the 1976-77 team, coached by Mrs. Crane, was the best team William Penn has ever had.

CHEERLEADERS

When it comes to the York High Cheerleaders – Spirit is the name of the game! A combination of Varsity, JV, Freshman, and Girls Sports Cheerleaders attended Cheerleading camp at Millersville this past summer and earned three "Excellent" ribbons for their performances. When school started they began to work very hard and even came to practice in the morning before school started. Here at William Penn they rallied the students together in two Pep Rallies held in the gym. They cheered for both the football and basketball teams which provided plenty to cheer about as both squads had super seasons. Two Seniors, Carla Breeland and Ronda Weagley acted as Co-captains, giving the Varsity the experience it needed. Additional Co-captains: JV – Lisa Walker, Nan Senft; Freshman – Carolyn Orr, Jennifer Gleman; Girls Sports – Tracey Carter, Melissa Hall.

VARSITY BASKETBALL

This year's Varsity Basketball team was led by eleven seniors while only three underclassmen made the team. The squads had a very successful season compiling a 16-6 overall record. Coach Ben Bond was in his first year as head coach and his team got off to a quick start winning their first six games. Many of the players came into the team late because of football but the late start did not hurt as they blended into the team well. Actually they helped the team as their strong defense was carried over from the football team. With most of the board work being done by Dave Myers, Daryl Jackson, and Marshall Leonard, and the scoring load taken care of by Brian Hunter, and Ron Register, the Bearcats played to a 3-4 League mark and a third place finish.

The JV Basketball team had an overall 9-11 record except for the holiday tournament. Although the team had a 1-6 record against teams who participate in the Central Penn League, the JV's had a better 8-5 record against other teams. This year's team was coached by Mr. Matson. Many individuals did a fine job for the squad and hope to make the Varsity next year.

FRESHMAN BASKETBALL

Coach Kessler

The 76-77 Freshman Basketball team had a 9-2 record playing mostly against teams from the York County Jr. High basketball league. Both loses came at the hands of York Catholic the champs of that league. After winning their first five games they lost 47-32 to those champs and four games later lost a tough 39-38 battle to that same team. The little Bearcats relied all season on a stubborn defense, which limited their opponents to a 32.8 points a game average, and the scoring of Steve Orr to compile their record.

VARSITY WRESTLING

Under the direction of Coach Raber the wrestling team, led by seniors, Bob Rittase, Terry Trasatt, Paul Hibner, Calvin Orr and Fred Dickson had a rather mixed-up season because of the energy crisis. Many of the matches were postponed or were held after school. This record does not show the many hours of practice put in by these hard-working grapplers. The crowds were treated with many outstanding individual performances throughout the year. Dedication is the word that best describes this year's team with many matmen holding – on in the hardest of times. Nothing but praise can be given to these athletes. Other outstanding wrestlers, which led the squad to several victories included: George Harrison, Maurice Little, Brian Weaver, and Jerry Stokes.

JV WRESTLING

The JV's had an excellent season under the direction of Coach Radel. This year's squad shows a great deal of potential as demonstrated by their many outstanding performances against county teams. These grapplers inspired the varsity wrestlers with their team effort and sportsmanship. Although the JV's also suffered from the energy crisis, one could not tell by their fine record. Hard work and determination was the name of the game throughout the season. Promise is shown in all categories of competition and we are virtually assured of a fine season next year.

Coach Kress and his Freshman Wrestling team didn't come close to winning any championships but they let the other teams know they were in the league. The team was very competitive and had many good performances. Since there is no wrestling in Junior High the freshman are at a disadvantage. Many never wrestled before but they worked very hard and came up with some great individual performances.

INDOOR TRACK

Indoor Track served as good practice for York Highs 77 Outdoor Track team. It was a chance for these athletes to get back in shape. There was also some competition as the Indoor Track team traveled to Muhlenburg for a few "Polar Bear" meets, where they made a very good showing.

BOYS SWIMMING

The Boys Swim team made it above .500 in the YCIAA Boys Swimming league with a 5-3 record. Two of those loses came by way of powerful league champ York Suburban. The swimmers had an additional loss to Hill which is a prep school and does not compete in the League. Victories were divided between several individuals for the team Coached by Bill Schmidt. Mr. Schmidt also coached the girls team. The season was shortened some what by the energy crisis as low temperatures in the building made swimming out of the question.

GIRLS SWIMMING

Girls swimming was also hard hit by the evergy crisis during the 1976-77 season. Even with this interruption, the girls worked very hard. This was the first year for a girls league in the YCIAA and the girls ended with a 2-6 record. Both victories were over Spring Grove by scores of 88-80 and 87-84. Jane Edgar, Beth Hoover, Lori Frye, and Patsy Ketterman (Diver) provided many first place finishes, but the team lacked the depth it needed to be a strong competitor.

GIRLS BASKETBALL

Girls Basketball teams at York High have always been competitive in the past and this years team was no exception. As the interest in this sport has improved over the past couple of years so has the quality. This season the girls compiled a 12-4 record behind the high scoring one-two punch of Lori Murray and Annette Kennedy. The girls team competes in the YCIAA league and gave a fine showing this year. After the first six games of the campaign their record stood at 3-3. The Coeds then came back to win their last eight games in a row. Their 11 and 3 league mark was good enough for a fourth place finish behind the only three teams who beat them (York Catholic, Dallastown, York Suburban). The team gained it's other victory on the way to a third place finish in the X-mas tournament at Muhlenburg.

HOMECOMING '76 — ONCE IN A LIFETIME

"Once in a Lifetime" — That was the 1976 Homecoming Theme. No other theme would have been more appropriate for the Bearcat football squad, at the time of the Homecoming game, had an undefeated season. A season like this happens, in most cases, only once during a person's high school years.

The Homecoming Game this year was played on Friday night, November 5. This was the first time in many years that York High had had a night home game. The game was the highlight of the weekend, as the Bearcats defeated State College 27-0.

The Homecoming weekend began at the annual assembly where Steph Baxter was crowned as the 1976 Homecoming Queen. First Attendant was Kathy Lefever, second Attendant was Deb Pinkernell, and the Court was Anne Lauer, Lorna Clarke, Bunni Lupey, Ronda Weagley, Flora Michael, Carla Breeland, and Joy Instone, our Foreign Exchange Student.

Stephanie Baxter — Homecoming Queen

The winners of the float contest in the traditional Homecoming Parade from the school to Small's Field were 1st prize — the Senior Float, 2nd prize — the Junior Float, and 3rd prize — the Sophomore Float. This year the Homecoming Court rode on a float, instead of in cars as in previous years. The float used was the Bicentennial Float, arranged to resemble a park setting.

The Homecoming Weekend came to a close on Saturday night at the Homecoming Dance, with the Queen and her Court reigning over the event.

The credit for the success of the Homecoming week goes to John Thoman, the Homecoming co-ordinator, Mrs. King and Mr. Boldin, the Activities Advisors, and all the students involved in the activities.

The annual Bonfire was held the following Friday night before the game against Harrisburg.

FOLLIES IN WONDERLAND

The Follies is a tradition here at York High. This year the theme was Fractured Fairy Tales. In keeping with tradition, the entire production was done by students. The ideas for it, the writing of it, the directing and the choreographing were all done by students. Of course, they did get a little help from the teachers. The Follies' chairpersons were Tina Wilhelm and Nello Stover and the secretary was Karen Shellenberger. The show featured some great skits, such as: Snow White and the 7 Drips, Mixed-up Fairy Tales, Little Red and the Riding Hoods, Prinderella and the Since, Rapunzel, and many, many, more.

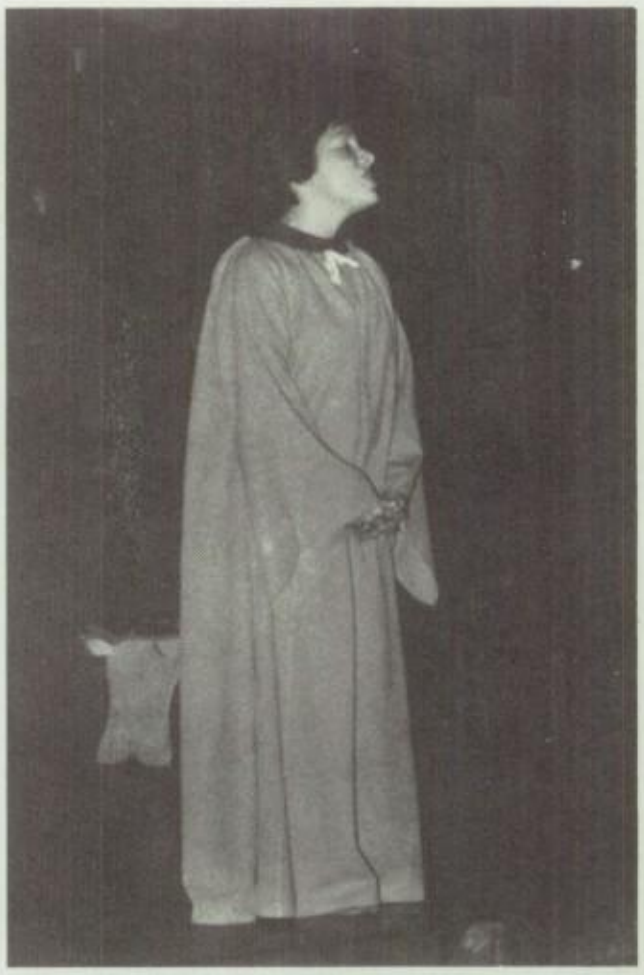
JOY

The Annual Dessert Theatre, this year, was **JOY, A ROCK MUSICAL.** The plot of Joy concerned teenagers who wanted to put on a Christmas play, but their scripts had not come in. Not wanting to cancel the play they decided to make up a play about the Christmas story as they went along.

The Cast of "Joy".



Cast Members were: Susan Malfara, Beth Smith, Wylene Sweeney, Judy Wolfgang, Tammy Steckler, Bob Rittase, Randy Weaver, Steve Nelson, Tim Martin, Eric Weinbrom, Steve Weinbrom, Doug Quinn, Gordon Vinson, Chris Brooks, and Carl Rawlings. The production involved both singing and dancing and was a huge success.

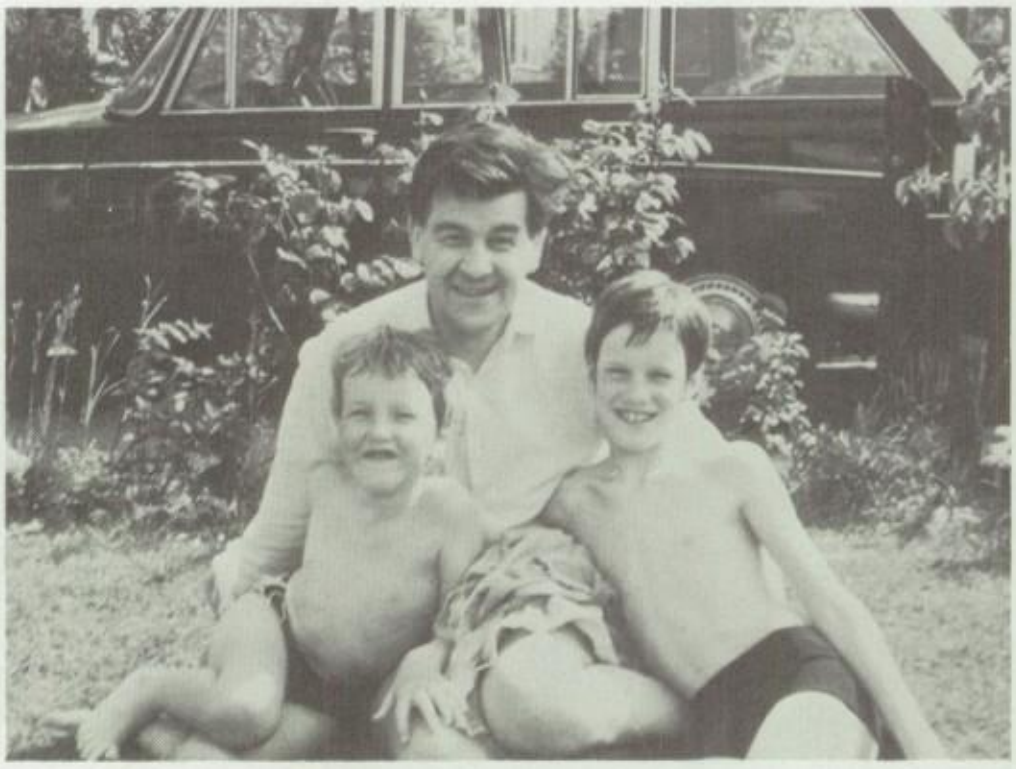
JOY INSTONE – FOREIGN EXCHANGE STUDENT



Hello Everybody,

Let me begin by thanking everybody concerned, especially my host family the Smiths', for helping to make my American experience such a pleasurable one.

My stay at William Penn, and in York has been very enjoyable and very different to my home. Other differences I have noticed include food, stores, cars and architecture. The most important differences, however, are in the people. I hope that the exchange of attitudes and ideas has given you an insight into your own way of life, as well as a foreign one, it certainly has done for me.

I'll take this opportunity to wish everyone 'the best of British' for the future, whatever you do.

'Bye

Joy Instone

MARY NEWCOMER – DOMESTIC EXCHANGE STUDENT

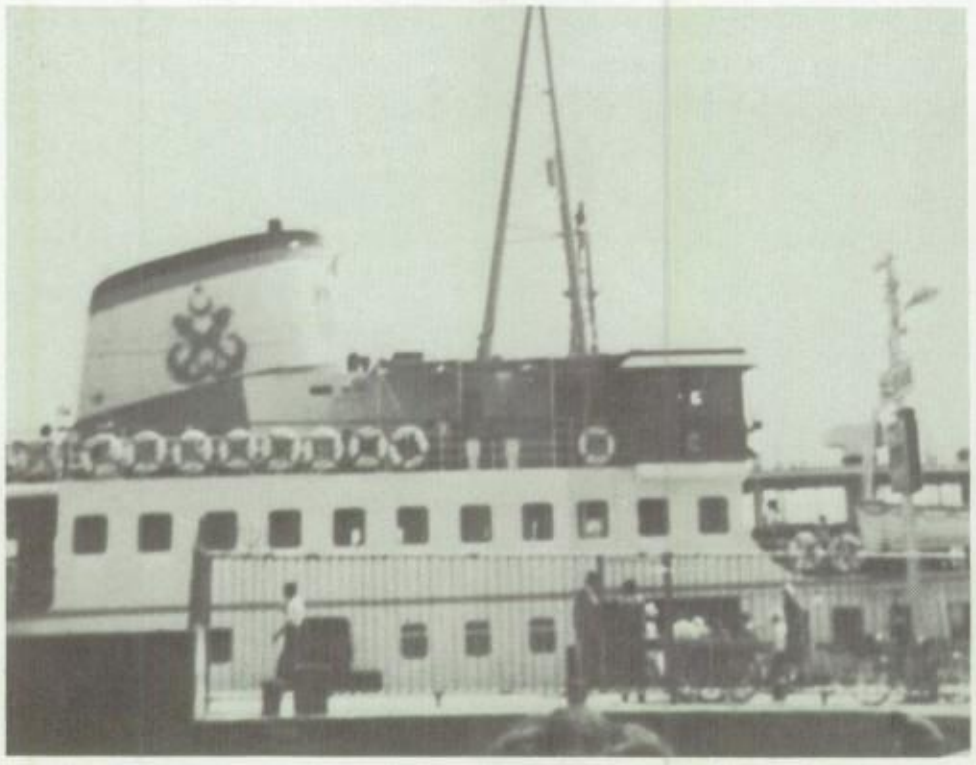
This past summer I spent three months in Brazil as an American Abroad Exchange Student. It was the most wonderful summer of my life.

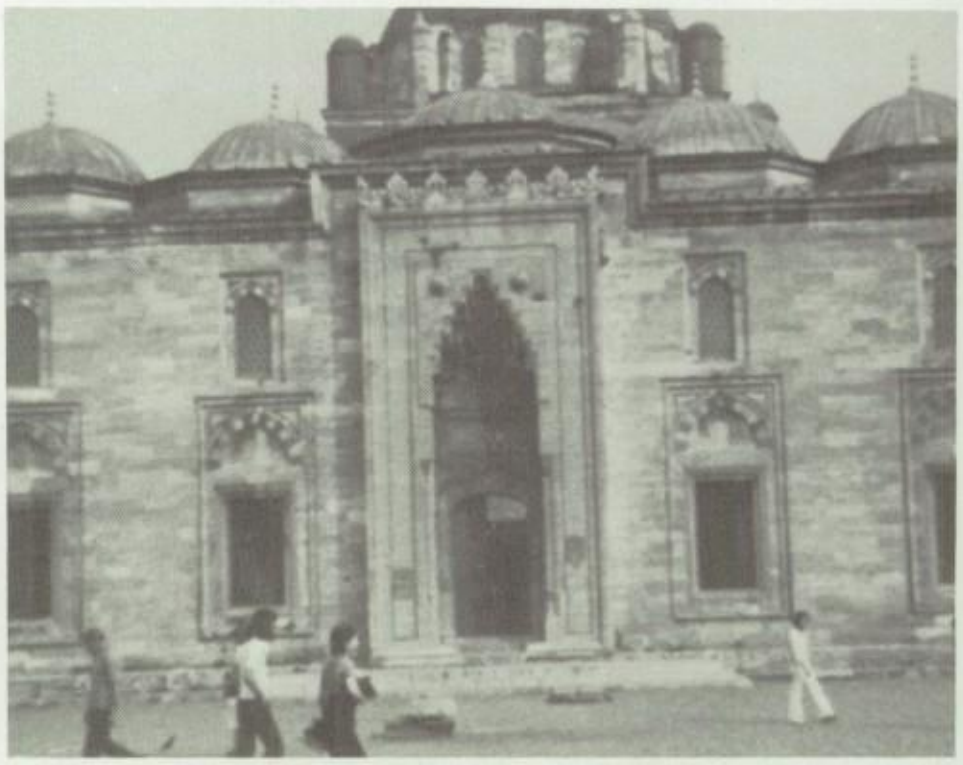
Everyday, including Saturday, I studied at a small, private school. When I returned home from school, I studied Portuguese for about 3 hours and in the evening I usually went out with friends.

In July I left my city to stay in Rio de Janeiro and São Paulo, two of the major cities in Brazil. I returned to the United States in September.

I'll never forget Brazil and all of the things I learned there. tchau, Mary Hannah Newcomer AA Brazil 76'

KATRINA MOORE – DOMESTIC EXCHANGE STUDENT





This past summer I was fortunate to travel to Turkey as a foreign exchange student. I flew there non-stop along with over one hundred other students from the U.S. I stayed in a very large city called Istanbul for two and one half months.

While in Istanbul I stayed with a family by the last name of "Yeldan." I became very close to them and related to them as my own family. My Turkish parents were both lawyers. I had one companion, who was 16 years old. His name was Erix.

I didn't get to go to school while in Turkey but she did get to tour much of the large city, Istanbul. Unfortunately she was unable to learn the Turkish language very well. Her Turk mother knew a little english and her brother spoke it fluently. Her Turk father spoke a little french which she knew a little of also.

I noticed most of the people of Istanbul dressed as we do. The fashions were centered basically around the blue jeans. There were a few people, who were villagers, that wore their customary Turkish costume.

I really enjoyed my stay in Turkey and hope, someday to return.

The Thespian Society is made up of students who have received 10 or more points from working in the various areas of the drama production. The amount of points received for one project varies as to the nature of the project. A star is gained by a Thespian everytime he receives an additional 10 points. The Society has meetings, and plans a trip at the end of the year to see a play. They also have a banquet in the spring, in which, drama awards are given out to seniors and those students voted on as being outstanding in drama.

CITAMARD

CITAMARD

Citimard is an organization designed for students interested in any part of drama. Its main purpose is to make the students aware of the dramatical productions presented at York High, and to get the students involved in them. Students can work with tickets, costumes, scenery, or as actors in the plays.

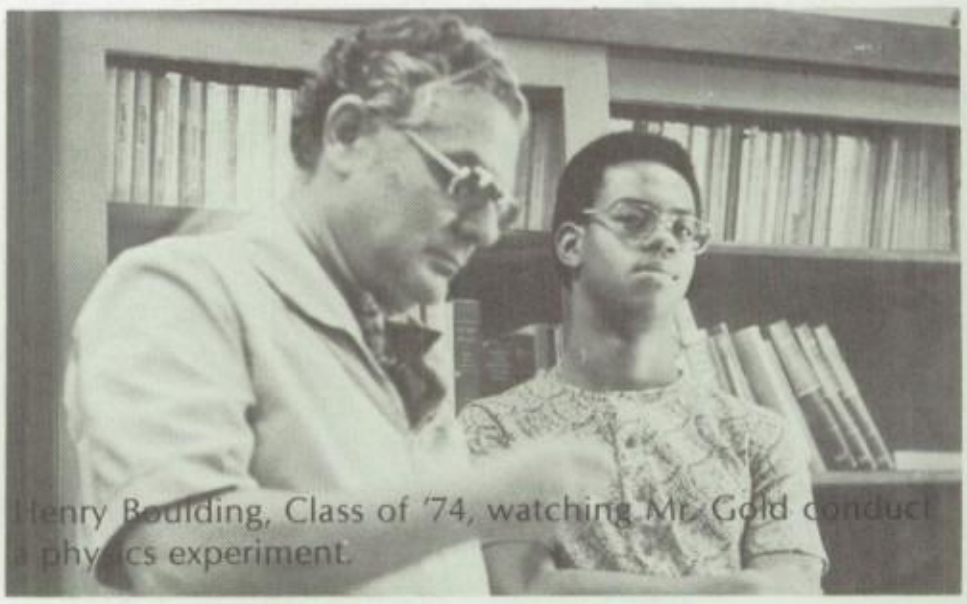
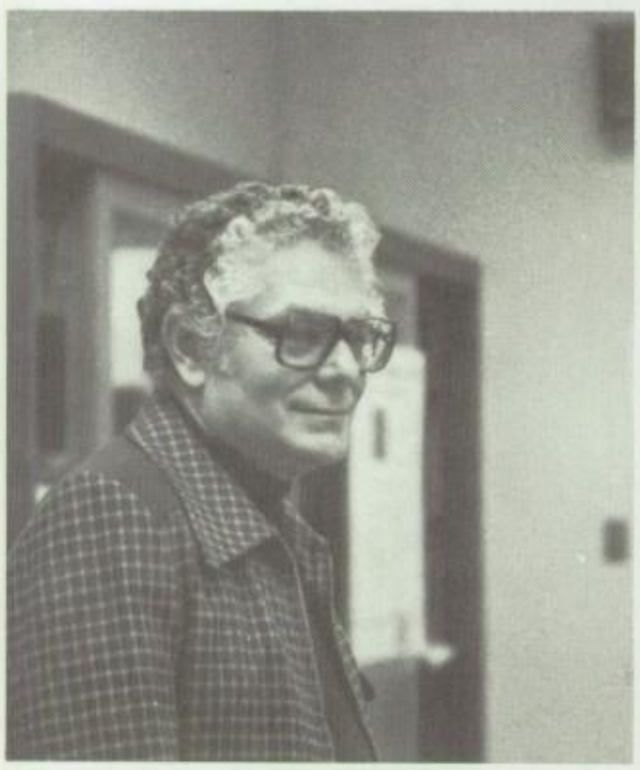
Mr. Gold is seen instructing an Advanced Physics class in 1974; Carlos Blassiotto, our exchange student, is listening very attentively.

"To me, Mr. Gold was a kind and thoughtful man who took a special interest in every member of his classes. I consider him to be one of the best science teachers I have ever had.
Steve L. Weinbrom



Henry Boulding, Class of '74, watching Mr. Gold conduct a physics experiment.

R. SIDNEY GOLD

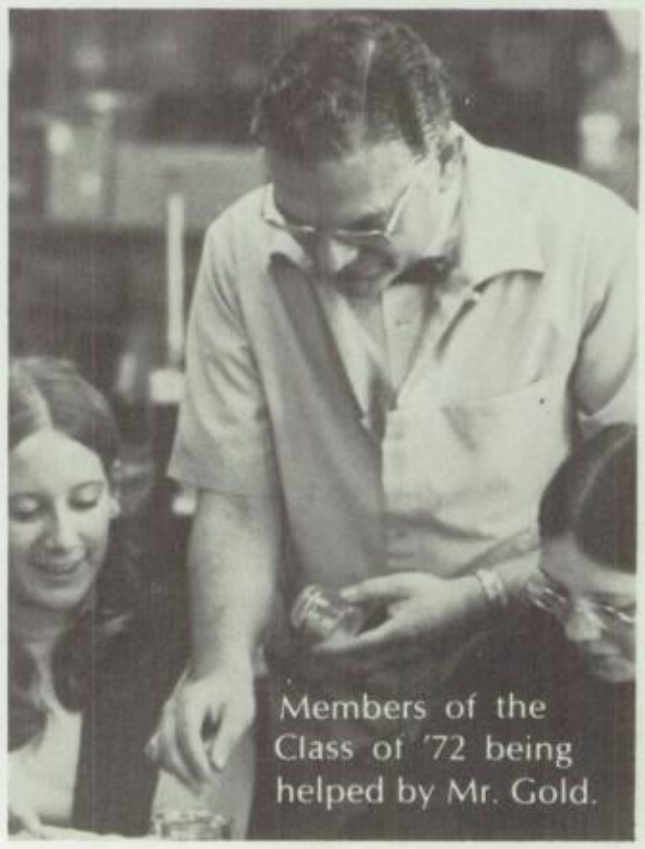


The Tatler Staff respectfully dedicates its Senior Section to Mr. R. Sidney Gold. His death has deprived York High of a great teacher and the Community of a great leader. He taught his subject thoroughly and inspired his students to work up to their abilities. Mr. Gold cared about his students; he was always very interested in his students. He was always willing to help them when they had a problem. He imparted much wisdom and guidance to his students.

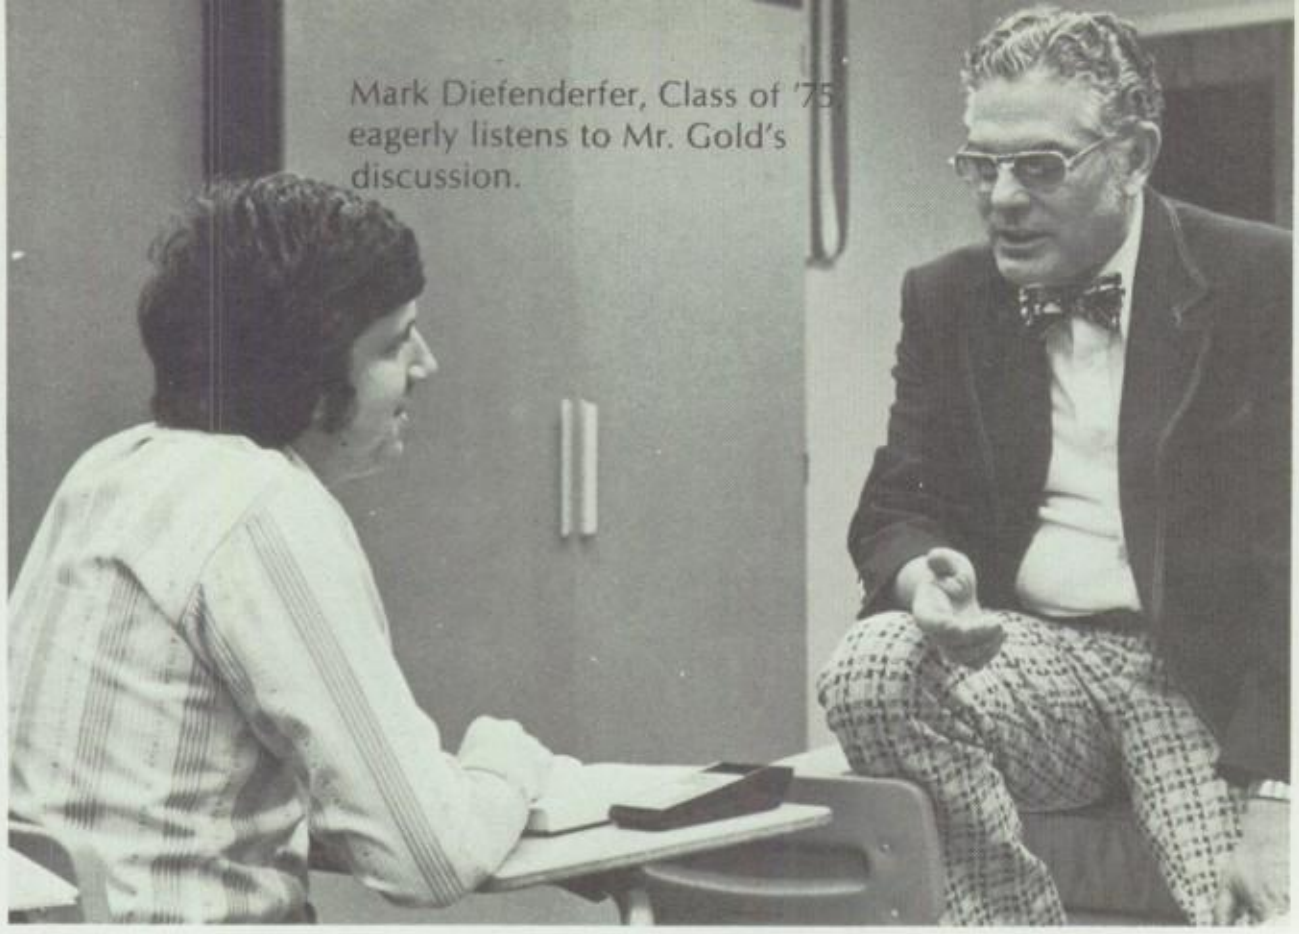
On January 27, 1977, Mr. Gold, a member of our Science Department, passed away. He served as a teacher for 18 years. Prior to teaching at York High, Mr. Gold taught at Hannah Penn Junior High.

Mr. Gold had been an active member of the community, involved in the Ohev Shalom Synagogue, the Jewish Community Center, and B'nai B'rith, He served as past district Commissioner of the Boy Scouts of America and also served overseas in the infantry during World War II.

Because Mr. Gold's inspiration will live on in the minds of his students, we have asked them to express their thoughts about him, though we realize these words cannot fully convey all that he meant to us.

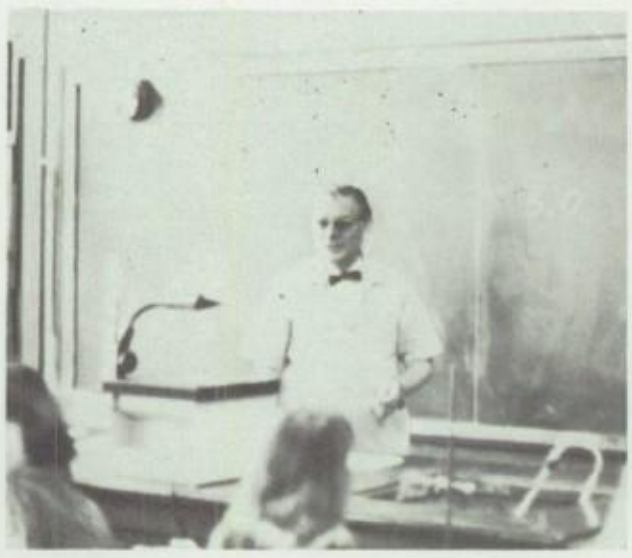


Members of the Class of '72 being helped by Mr. Gold.



Mark Diefenderfer, Class of '75, eagerly listens to Mr. Gold's discussion.

"Death may take the man – but not the spirit and never the memory."
R.W.



Those students who will never have Mr. Gold as a teacher have lost an irreplaceable opportunity, but those of us who did have him will forever realize and remember the warmth and understanding that radiated from this man.

He was no easy teacher – in fact sometimes I felt as though no hope existed for me in the Physics arena! I survived but I learned so much more than the mere mysteries of rotary motion.

Mr. Gold was my friend. If I live for a hundred years, I shall never meet such a loving friend as he. After his second return from the hospital, in the midst of all his pain, Mr. Gold called me. He did this because he realized my concern for him and because he knew I would be interested in his experience at the hospital. Fear for him gripped me so intensely that I cried, but his **lack** of fear and his patience with his problem taught me to grasp a little of that courage.

Death may take the man – but not the spirit and **never** the memory.

Ronda Weagley

"Mr. Gold meant a great deal to me. He helped me to mature because only a part of what he taught was physics. Even though he was my teacher for only a half year, I was a thousand times luckier than all the future physics classes. I feel he was one of the best teachers I have had. I shall always remember Mr. Gold and shall deeply cherish his memory."

Tony Roth

"Mr. Gold was a great man as well as a great teacher. He cared about his students and we cared about him. I think I speak for all his students when I say that he will be deeply missed and will be remembered by all."

Mark Hagan

Mr. Gold and the members of his senior homeroom, Class of '74.

NATIONAL MERIT SCHOLARSHIP COMPETITION

Robert A. Rittase is a finalist in this year's National Merit Competition. This is an award given to students who score in the top .5% of all students taking the National Merit Scholarship Qualifying Test. The NMSQT is taken when college-bound students are in their sophomore year. Winners are eligible for a 4 year grant. Robert A. Rittase also has a ROTC scholarship and has been accepted at Bucknell where he will major in engineering. **Jeffrey D. Heinze, Paula M. Sipe** and **Steven L. Weinbrom** received Letters of Commendation from the National Merit Competition. They are given to students who score in the top 1% of all students who have taken the NMSQT. Jeffrey D. Heinze has been accepted at Penn State Main Campus and plans to become an architect. Paula M. Sipe and Steven L. Weinbrom who both intend to become lawyers will attend Temple and Dickinson colleges respectively.

SENIOR CLASS OFFICERS

This year's Senior Class officers under the direction of Mr. Attig and Mrs. Roth have led their class through a successful and profitable year. Concerned students have helped in fundraising activities and so the class has enough moeny for a lavish prom at Wisehaven, the group being "Friends One".

It is our hope that succeeding senior classes will do as well in their endeavors as we have.

A Shiver –
The first tendency of a "little" ninth grader frightened by a new school, big halls, and even bigger upperclassman.
A Smirk –
Hey! I've been here before and now I'm better; now ninth graders look up to **ME!**
A Smile – One more year of this stuff and it's over. HURRY UP!!!
A Tear –
We've made it and look back at our past four years. Was that really us? Every minute sped by so fast! This one tear contained all our fond memories – of teachers who cared, friends who loved, and obstacles ahead. Good luck and goodbye fellow classmates of the Class of "77"!

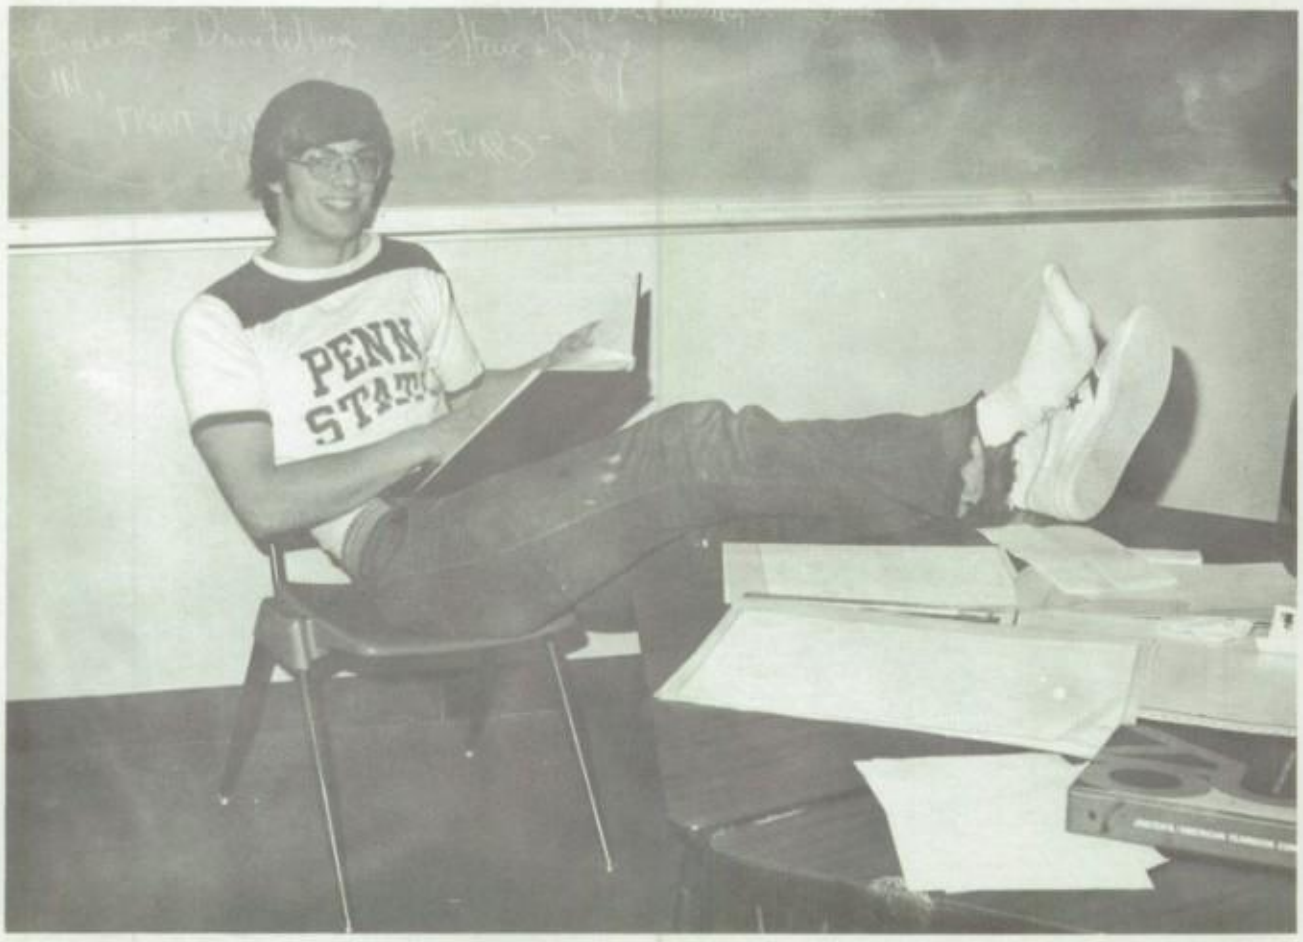
EDITOR'S COMMENTS



Bob Rittase – Editor-in-Chief

Although there have been a lot of hard times, York High will always have a warm spot in my heart. I've met some great people and have had some memorable times. Now that I am near the end of my four years, all the bad experiences seem to fade away and the good ones come to mind. Education is a valuable thing and I'm glad I received it here. Thank you for everything and good luck to all.

Goodbye,
Robert A. Rittase
